House of Hope, Inc.

Adult Medium Intensity Residential Treatment Programs for individuals with substance use and mental health issues.

House of Hope, Inc. provides residential medium intense treatment services in Mankato and Fairmont MN to individuals who have substance use and mental health issues.

Mission & Goals

Mission

House of Hope, Inc.'s mission is to provide integrated residential and non-residential treatment services to adults. Our goal is to increase their desire for ongoing recovery from substance use and mental health disorders.

Goals

- To provide “client centered” treatment services with a “holistic” methodology
- To decrease access to treatment barriers through “Client Scholarship Fund.”
- To address client recovery barriers through a peer support specialist
- To increase access to housing with the “Special Needs Fund.”

House of Hope, Inc.

The House of Hope, Inc. serves a 26 county region within south western and southeastern Minnesota including the Twin Cities. We not only approach recovery from a “holistic” philosophy, but also from a “habilitative” approach.

In Mankato, our residential program consists of a 29 bed men’s program and a 9 bed women’s program. We also have a GRH house which is licensed for 5 men. In Fairmont our program is co-ed with 26 beds.
